Response: CA COMPLETED

Date of Completion: 10/21/2020

Operator Comment: We have sprayed weeds several times throughout the summer to get rid of the weeds and they are all dead at this point of the year. We will start back in as soon as the weather permits in the spring of 2021 to attack the weeds. Hopefully we are not in drought next year and we can get good vegetation to grow and keep spraying the noxious weeds.
