Remark: The sale of wells from Foundation to Quicksilver was completed January 31, 2011. COGCC did not transfer plugged and abandoned wells at that time. However, the obligation for reclamation of these three plugged wells was transferred to the seller at the time of the sale (see attached exhibit from the PSA). One of the locations was recently inspected by COGCC's reclamation group, which brought this old issue to light when the inspection was directed to Foundation. Thank you.

I hereby certify that the statements made in this form are, to the best of my knowledge, true, correct and complete. The transporter(s)/gatherer(s) is (are) authorized to transport the oil and/or gas produced from the listed well(s) and that this authorization will be valid until further notice to the transporter named herein or until cancelled by the Colorado Oil and Gas Conservation Commission.
