General Comment:

This is a reclamation inspection of the CHANDLER CREEK #24-32 well site which appears to be abandoned.
The location is not in compliance with the Final Reclamation requirements.
See attached photos and additional details within this report.

A warning letter was issued for potential violations per document number #402188524.

Operator is directed to perform corrective actions outlined on this inspection report immediately.

Comment: The well appears to have been plugged and abandoned however, there is no subsequent form 6 in the well file. All equipment has been removed. There is an open hole at the center of the location which is 4.5 ft. deep. The access road and location have not been recontoured and reclaimed. There is erosion along the main access road traveling to the location. Corrective action needs to be performed immediately to obtain compliance.

Corrective Action:	Comply with 1004 Rules.	Date	
Overall Final Reclamation	Fail	Well Release on Active Location	<input type="checkbox"/>
		Multi-Well Location	<input type="checkbox"/>
