**General Comment:****COGCC Inspection Report Summary**

On Tuesday 11/3/20 at approximately 1030, I, Inspector Scott Ramsey, conducted a routine inspection at Caerus I18, at Location # 334866 in Garfield county Colorado.

While there, I observed normal production operations. All meters have been calibrated on location within the past year.

During this inspection the following possible compliance issues were observed:

- Sediment migration from location on east side behind separators and tanks.

Refer to photograph of observed compliance issue.

A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.
