<p>COGCC Inspection Report Summary On Wednesday 12/2/2020 at approximately 10:45 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the PDC Energy Kissler K12-21 location #323429 in Weld County, Colorado. While there, I observed that the gas sales meter calibration card was outdated. During this inspection the following possible compliance issues were observed: Rule 329. with a corrective action date of 3/5/2021. A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of the inspection report.</p>	petersont	12/02/2020
