Patti-

I will have to go into the back door of our system to transfer the two non-facilities. I just need an email confirmation from you that they are supposed to transfer to Simcoe, then I can scan that email with the Form 10 as justification.

Thanks!

Teri

Hi Teri,

I don't have an option for NONFACILITY for AC STATUS 436624 and 426740. Are these SPILLS and if so, would PIPELINE be an appropriate selection.

Thank you!

Subject: BP change of operator

Hi Patti-

My review of document 402516285 is complete and there are a few issues.

I have identified items that need to be deleted from this form as they are already under Simcoe or do not belong to BP.

I have identified additional items that need to be submitted on a Form 10 to transfer to Simcoe and they are listed on the attached spreadsheet.

I have identified 3 gas compressor stations that need to be submitted on an individual Form 12's to transfer to Simcoe. (Facilities 432079, 120184, 429805)

Please review and let me know if you have any questions.

Regards,

Teri Ikenouye
