<p style="color: blue;">THIS IS A FOLLOW UP INSPECTION TO PREVIOUS INSPECTION DOC3: 679602548. All previous corrective actions have been resolved. One new corrective action has been assigned to this location.</p> <p>COGCC Inspection Report Summary                      **Weather Conditions: sunny, muddy                      On Monday, December 21, 2020 at approximately 15:30, I, Inspector Brittani Santistevan, conducted an on-site inspection at GOETZEL 7-10 PAD (PDC Energy), at location #: 449015 in WELD COUNTY Colorado.                      While there, I observed a producing facility.                      During this inspection the following possible compliance issues were observed:                      1. It appears that previous stained soil was removed, but has re-accumulated in the same area. Conduct maintenance on equipment, cleanup stained material and review self inspection processes Per Rule 1002.f.(2).d. (Corrective Action Date: March 21, 2021) See attached photo #4.</p> <p>A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.                      This is a summary of inspection report.</p>	santistb	12/21/2020
