RE: Document 402476685

Good morning-

My review is complete, and there are two issues:

API 123-09109 has related pit 103594

API 123-09238 has related pit 103595

Please review, and I can easily add them to this document if both buyer/seller agree. Please let me know if you have any questions.

Regards,

Teri Ikenouye  
Information Processing Supervisor
