Comment: This location does not comply with Rule 1004. Reclamation rules require reclamation activities to be conducted within three months of plugging on cropland. Operator has failed to remove and recontour the access road.

Corrective Action:

Date **08/27/2017**

Comply with Rule 1004. Collaborate with the landowner to determine mitigating measures that will allow reclamation work to be conducted in such a manner as to not interfere with agricultural activities or crop production.

Corrective action date is being back dated to when all final reclamation activities should have been completed.
