General Comment:

COGCC Inspection Report Summary
On Monday 1/20/2021 at approximately 1130, I, Inspector Scott Ramsey, conducted a routine inspection at Grizzly Specialty 21A, at Location # 335156 in Garfield county Colorado.
While there, I observed normal production operations. All meters have been calibrated on location within the past year.
During this inspection the following possible compliance issues were observed:
• Provide proof of tracking control BMP's
• Location shows signs of lack of stabilization BMP's in some areas (rutting is present) BMP's require maintenance
Refer to photograph of observed compliance issue.

A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.
This is a summary of inspection report.
