Alleged violations correction as instructed by you to be done by June 15th, 2001

Dowdell #9

Plugged and abandoned as indicated by forms and report included in papers.

Dowdell # 2

Mechanical integrity test of packer and annulus
Do not have the correct sundry form but have included our work report.
Also installed location sign.

Dowdell # 7 & Dowdell # 1

Have moved all equipment in yard by treater as you requested. We will finish the building inside which caught on fire and put all valves and pipe nipples in storage by the end of this summer.

We also will fence yard area and pits and continue to keep clean and organized.

Thanks

Dan Dalton
