Initial Discovery Date: \_\_\_\_\_ Was this violation self-reported by the operator? No  
Date of Violation: \_\_\_\_\_ Approximate Time of Violation: \_\_\_\_\_  
Was this a discrete violation of obvious duration? No

Description of Alleged Violation:

Pursuant to Rule 912.b., except for gas flared or vented during an upset condition, well maintenance, well stimulation flowback, purging operations, or a productivity test, Operator shall flare or vent gas from a well only after Operator has given notice to and obtained approval from COGCC on a Sundry Notice ("Form 4") stating the estimated volume and content of the gas.

On September 20, 2019, COGCC Staff inspected the Well, and observed venting of natural gas through an open tank valve that powers the pump jack. A 3 cubic foot bag filled with gas in 4 minutes. The pump jack was pumping at the time of measurement. COGCC Staff also observed that none of the Rule 912.b. exception conditions were occurring at the time of the venting. (Field Inspection Report No. 679705523).

As of September 20, 2019, Operator had not submitted a Form 4 request to vent from the Well, and had not obtained COGCC approval for venting gas from the Well.

Without approval from COGCC, Operator vented gas from the Well during non-upset conditions, violating Rule 912.b.

Abatement or Corrective Action Required to be Performed by Operator: \_\_\_\_\_ Corrective Action Due Date: 12/09/2019

**Proper and timely abatement does not preclude the assessment of penalties and an Order Finding Violation.**

Operator shall immediately cease venting and flaring at the Well location, and shall ensure it has obtained written COGCC approval via Form 4 prior to resuming venting or flaring.

In its Rule 522.d.(2) Answer, due within 28 days of the Operator's receipt of the NOAV, Operator shall include documentation that venting ceased on date of inspection, and documentation of implementation of an internal procedure to ensure COGCC approval is obtained prior to any venting or flaring at its locations, as required by Rule 912.b.
