<p>COGCC Inspection Report Summary On Tuesday 2/9/2021 at approximately 09:15 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the PDC Energy R. Ewing 24-11 #1 location #327649 in Weld County, Colorado. While there, I observed that the DCP gas sales meter calibration card was outdated. During this inspection the following possible compliance issues were observed: Rule 430. with a corrective action date of 5/10/2021. A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of the inspection report.</p>	petersont	02/09/2021
