**General Comment:****COGCC Inspection Report Summary**

On Monday 2/11/2021 at approximately 1200, I, Inspector Scott Ramsey, conducted a follow up inspection at Grizzly Ferguson, at Location # 335386 in Garfield county Colorado.

While there, I observed normal production operations. All meters calibrated on location within a year. Some of the C/A's from previous inspection document # 700702022 have NOT been completed. This location is within a Density Habitat and Wildlife Management Area.

During this inspection the following possible compliance issues were observed:

1. Location still shows signs of lack of stabilization from previous inspection on pad
  2. No evidence of tracking control BMP's
- Refer to photograph of observed compliance issue.

A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.
