Operator Comment: Upon review of documents on the COGCC website as of 1/1/2002 Amoco had assigned operatorship to Mr. Richard Conley prior to BP purchase of the Amoco assets. In reviewing documents it appears that this well was plugged and abandoned by COGCC through the orphan well program. After reviewing all the documentation on the COGCC website in the DOC file it is understood that BP is not responsible for this location and has not been

responsible for it. Please review the documentation regarding ownership of this well in the document file of this well.

COGCC Decision: Approved

OPERATOR COMMENT AND SUBMITTAL

Comment: The well in question according to documentation in the well file on the COGCC website this well was owned and operated by Mr. Richard Conley at the time of abandonment as Mr. Conley acquired the well while still producing from Amoco prior to Amoco divestment to BP. BP is not and was not ever operator of this well/lease. Please review the well file on the COGCC website for this well.

I hereby certify that the statements made in this form are, to the best of my knowledge, true, correct, and complete.
