**General Comment:**

COGCC Inspection Report Summary

On Tuesday 2/16/2021 at approximately 1300, I, Inspector Scott Ramsey, conducted a routine inspection at Grizzly Dixon Federal 11A, at Location # 425899 in Garfield county Colorado.

While there, I observed normal production operations. All meters calibrated on location within a year. This location is within a Density Habitat and Wildlife Management Area. Limited storm water inspection due to snow cover.

During this inspection the following possible compliance issues were observed:

1. No evidence of tracking control BMP's

A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.
