**General Comment:****COGCC Inspection Report Summary**

On Wednesday 2/24/2021 at approximately 1400, I, Inspector Scott Ramsey, conducted a routine inspection at Caerus L25W, at Location # 334613 in Garfield county Colorado.

While there, I observed normal production operations. All meters calibrated on location within a year. This location is within a Density Habitat and Wildlife Management Area. Limited storm water inspection due to snow cover.

During this inspection the following possible compliance issues were observed:

1. Tank battery signage does not meet requirements of new rule 605.e
2. Provide proof of tracking control BMP's

This is a summary of inspection report.
