Prod/Levy	Operator is revising Form 7's for API 123-18782 for the NB-CD formation. This is a well that was plugged back in 2015 with no COA identified on the Form 6. Emailed operator to verify whether we should add an N-COM to post Form 7's for the well or they would have to submit a new revision for the allocated NBRR/ CODL. Waiting for response.	02/18/2021
