Commission**

Department of Natural Resources

Inspection Photos
Location Name: Roskop NE Tank battery
Location ID: 461262

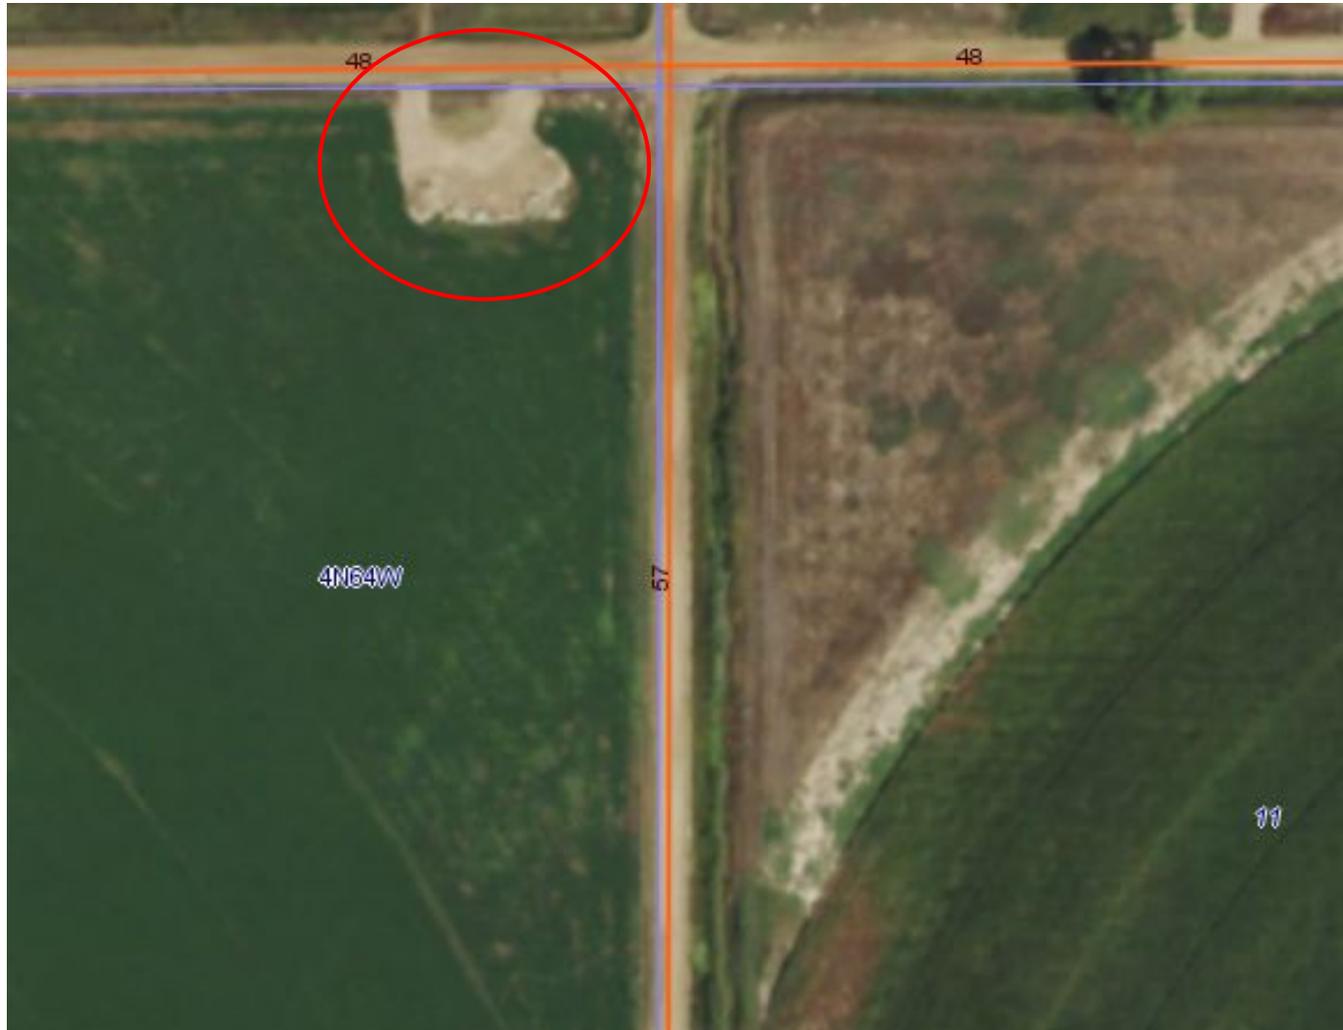

Photo 1. Aerial imagery from 2019. Photo illustrates the former Roskop NE Tank battery (red circle). The corner of this property is flood irrigated and outside of the pivot circle.

Inspection Photos
Location Name: Roskop NE Tank battery
Location ID: 461262

Photo 2. Photo taken east of the tank battery location, facing West. Photo illustrates all equipment has been removed from the tank battery. However, it does not appear the tank battery was properly contoured to the surrounding area and does not have any establishment of alfalfa. If the location is not properly contoured, then flood irrigation is likely compromised and not successfully being irrigated.
