#### OPERATOR COMMENT AND SUBMITTAL

Comment: FIR resolution form was not filed after corrective action items were performed. Operator guessed on the corrective action timing but knows the work was performed at that approximate time. FIR is being filed now as a result of a unresolved field inspection report recently run on Renegade leases and at the request of COGCC inspector Susan Sherman. It is hoped that this will be able to clear this issue.

I hereby certify that the statements made in this form are, to the best of my knowledge, true, correct, and complete.
