

Inspection Photos

API: 043-05088

Operator: JAVERNICK OIL

Inspection Date: 4/22/2020

COLORADO

**Oil & Gas Conservation
Commission**

Department of Natural Resources

API: 043-05088 | Date: 4/22/2020

Inspection Photos

Photo 1. Facing east along the access road. The gully erosion along the road has not been repaired and stabilized. There is a tire placed in gully shown at red arrow which needs to be removed. A few rocks scattered in the gully is insufficient stabilization.
