<p>COGCC Inspection Report Summary **Weather Conditions: sunny, dry ground On Wednesday, June 9, 2021 at approximately 15:00, I, Inspector Brittani Santistevan, conducted an on-site inspection at BEEBE-SPUR 3-34 PAD (PDC Energy), at location #449918 in WELD COUNTY Colorado. While there, I observed producing facility. During this inspection the following possible compliance issues were observed: 1. It appears cleanup was made at wellhead and has now re-accumulated of waste at surface casing. Conduct maintenance on equipment, cleanup stained material and review self inspection processes per Rule 1002.(2).d. (Corrective Action Date: September 9, 2021) See attached photo #2, 3.</p> <p>A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.</p>	santistb	06/09/2021
