**General Comment:**

[COGCC Inspection Report Summary](#)  
 On Thursday 6/17/2021 at approximately 1200, I, Inspector Scott Ramsey, conducted a routine inspection at XTO T18X-12G, at Location # 335771 in Rio Blanco county Colorado.  
 While there, I observed normal production operations. All meters have been calibrated on location within the past year. This location is within or in close proximity to a CPW Density/High Priority Habitat, black bear, NSO habitat, Wildlife Management Area, BLM stipulations area and CDPHE Reg. 42 area.  
 During this inspection the following possible compliance issues were observed:  
 1. Debris around location  
 2. Unmarked 55 gallon drum  
 3. Unused equipment (Injection pump piping)  
 Refer to photograph of observed compliance issue.

A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.
