

**TABLE 2**  
**Soil Sample and Field Screening Information**  
**Davis 1-30 Wellhead. Adams County, CO**

| Sample Information |        |             |                     |                        |             |
|--------------------|--------|-------------|---------------------|------------------------|-------------|
| Sample ID          | Depth  | Sample Date | PID Field Screening | Latitude               | Longitude   |
| Units -->          | ft-bgs | mm/dd/yyyy  | ppm                 | Decimal Degree (NAD83) |             |
| SS3-1              | 1      | 4/7/2021    | 0.1                 | 39.84523               | -104.472455 |
| FS6-4              | 4      | 4/6/2021    | 0.6                 | 39.845217              | -104.472456 |
| FS7-4              | 4      | 4/6/2021    | 0.2                 | 39.844848              | -104.47139  |
| FS8-4              | 4      | 4/6/2021    | 0                   | 39.844776              | -104.470978 |
| FS9-1              | 1      | 4/7/2021    | 1.4                 | 39.845247              | -104.472467 |
| FS10-1             | 1      | 4/7/2021    | 1.2                 | 39.845229              | -104.472486 |
| FS11-4             | 4      | 4/7/2021    | 0.3                 | 39.845017              | -104.471907 |
| FS12-1             | 1      | 4/7/2021    | 0.1                 | 39.845216              | -104.472469 |
| FS13-4             | 4      | 4/8/2021    | 0.5                 | 39.845022              | -104.472189 |
| FS14-3             | 3      | 4/8/2021    | 0.5                 | 39.845132              | -104.472355 |

Notes:

PID - Photo Ionization Detector  
ft-bgs - feet below ground surface  
ppm - parts per million
