<p>COGCC Inspection Report Summary On Wednesday 6/30/2021 at approximately 12:50 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the Magpie Operating Vader 33-15 location #417469 in Larimer County, Colorado. While there, I observed that the DCP gas sales meter calibration card was outdated. During this inspection the following possible compliance issues were observed: Rule 430. with a corrective action date of 10/1/2021. A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of the inspection report.</p>	petersont	06/30/2021
