RE: Well Re-Entry and Mitigation  
Colorado Oil and Gas Conservation Commission ("COGCC") – DJ Basin Horizontal Offset Policy

**TOWNSHIP 7 NORTH, RANGE 67 WEST, of the 6<sup>th</sup> P.M.**

**SECTION 10: SE/4 SW/4**

**Weld County, Colorado  
(the "Lands")**

Per the COGCC DJ Basin Horizontal Offset Policy, any existing oil and gas wells within 1500' of a proposed horizontal wellbore that does not have adequate protection and isolation over the treated formations must be re-entered and mitigated prior to hydraulic stimulation of the proposed horizontal wellbore. The following well(s) on your Lands do not meet the COGCC standards and must be mitigated prior to Nickel Road's hydraulic fracturing operations:

- K & M Company 1-10 (API: 05-123-14474), SESW Sec 10 7N67W

Nickel Road Operating LLC is required to enter your Lands in order to locate, unearth, re-enter and mitigate this existing plugged and abandoned well prior to hydraulic fracturing operations. This process will take approximately ten days from commencement to completion.

Nickel Road Operating agrees to restore the areas impacted by our operations as follows:

- a) Surface Restoration: Upon cessation of Nickel Road's operations on the Lands, all areas thereof occupied or utilized by Nickel Road Operator (including the area around the well to be remediated, and any utilized access roads) will be restored to their original condition as is reasonably practicable at the sole expense of Nickel Road.
- b) Crop Damage: Nickel Road agrees to pay Owner actual damage caused by operations for damages to Crops. Damages shall be calculated under the USDA federal crop insurance guidelines and standards, or at the election of the Owner, damages shall be calculated using the average price received by Owner for the last three years for the acreage in which damage occurred.

**Please sign below** consenting to Nickel Road Operating, LLC and/or its contractors or agents entering your Lands located in Weld County, Colorado in order to perform the work described above and return to my attention.

If you have any questions or concerns, please do not hesitate to contact the following for additional info:
