<p>COGCC Inspection Report Summary **Weather Conditions: sunny, dry ground On Friday, July 23, 2021 at approximately 11:30, I, Inspector Brittani Santistevan, conducted an on-site inspection at RUSCO 33-23 (PDC Energy), at location #: 306621 in WELD COUNTY Colorado. While there, I observed a shut in facility. During this inspection the following possible compliance issues were observed: 1. Disconnected automation is inside wellhead fencing. Reconnect or remove from location per Rule 606. (Corrective Action Date: October 23, 2021) See attached photo #3. A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.</p>	santistb	07/23/2021
