COGCC
Representative:

Operator submitted a Form 4 requesting 502.b SOVR on 7/1/2021; form 4 Sundry was denied due to a new variance process since the 1/15/2021 rule change; variances are no longer able to be submitted with a Form 4 Sundry, but now require a hearings application to the commission per Rules 502 and 510.

Until a variance has been approved, the Location and access road will remain subject to 1004 requirements, and the CA will remain applicable.
