Comment:

The well location and well location access road meet final reclamation regulations and standards. Unable to find evidence of oil and gas activities and/or disturbances. Well location and access road are reflective of reference crop areas.

The associated tank battery has not been reclaimed. Operator has previously a Final Reclamation variance request that the surface owner requests that the former tank battery and access point remain (Doc.# 402499264).

Corrective Action: **Operator shall comply with Rules 502 and 510.**

Date **07/28/2021**
