Gentlemen:

On February 10, 1959, the American Employers' Insurance Company issued the above captioned Well Plugger's Bond in the amount of \$2,500 on a lease in the name of Green Well No. 1, description: C SW NW Section 20, Township 9N, Range 53W, Logan County, Colorado.

We have been advised the lease has been sold as of November 1966, and would appreciate your terminating our liability under the above captioned bond.

Thank you kindly for your assistance.

Very truly yours,
