**General Comment:**

COGCC Inspection Report Summary  
On Friday 8/20/21 at approximately 12:00 hours, I, Inspector Corey De Paolo, Conducted an on-site inspection at TEP ROCKY MOUNTAIN LLC PA-66S95W /34NWSW, Location #335436 in Garfield County Colorado.

While there, I observed normal production operations.  
During this inspection the following compliance issues were observed:

- 1) Location lacks stabilization. Insufficient tracking BMP at entrance to location with a corrective action date of 9/4/21.
- Location is located in a high priority habitat area. All drainages contribute to Colorado River.

A follow up on this site inspection needs to be conducted to ensure the Compliance issues have been corrected to comply with COGCC rules.  
This is a summary of inspection report.
