Good Afternoon Aaron –

I hope this email finds you well! It came to our attention today that Caerus did not file the required Form 42 notification of construction per rule 405.b for the BJU N23-496 Central Delivery Point Location (Location ID: 479214). Caerus wishes to self-disclose that the Form 42 was not filed in the required timeframe and has since filed the Form 42, document number 402790003, documenting that the construction dates for this location occurred from August 20, 2021 to August 22, 2021. We apologize for this oversight. Please let me know if you have any further questions or concerns.

Thank you in advance for your time!

Holly Hill
