<p><a href="#">COGCC Inspection Report Summary</a>                      On Tuesday October 19, 2021 at approximately 10:11AM, I, Inspector Randy Silver, conducted an on-site inspection.                      Location: Lauridson VV #18-10                      Operator: KP Kauffman                      API#:123-17418                      County: Weld                      While there, I observed producing well site                      During this inspection the following possible compliance issues were observed:                      Sign: Rule 605 d Corrective action date of 11-19-21                      Unused equipment: Rule 606 Corrective action date of 1-9-21                      Weather conditions: Cloudy                      This is a follow up inspection per doc#'s 699502097 and 699503047. At time of inspection corrective actions appear to have not been addressed.                      A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.                      This is a summary of inspection report.</p>	silverr	10/19/2021
