RE: Request for Consent to Plug Wells

Dear Mr. & Mrs. Chalk,

Bison Oil & Gas II, LLC ("Bison") is planning to drill wells from the Allred 8-59 30 pad, located in the NENW of Section 30, T8N, R59W. In anticipation for drilling, it is necessary and required by the COGCC that Bison properly plug & abandon oil and gas wells within a certain proximity of the new wells to be drilled. The following well(s) required to be adequately plugged and abandoned on your lands include: Chalk 31-14 API: 05-123-26661 (SESW Sec. 31 T8N R59W), Duell Campbell #1 API: 05-123-05464 (Lot 2 Sec. 31 T8N R59W), & the Campbell #1 API: 05-123-07409 (Lot 1 Sec. 31 T8N R59W).

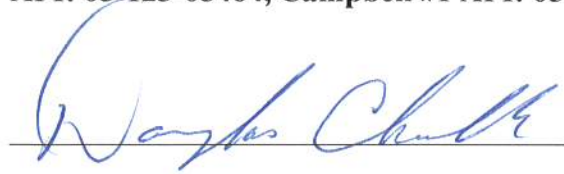

Bison respectfully requests your consent as surface owner to enter and plug these wells located on the above described surface lands. Please indicate your agreement and consent via signature below. Additionally, Bison agrees to pay \$1,000.00 per well location, upon receipt of this signed agreement.

Thank you for your immediate attention to this matter. Should you have any questions, please do not hesitate to reach me at: 720-644-6997 ext 4-2, or by email at [asolis@bisonog.com](mailto:asolis@bisonog.com).

Respectfully,
