Photo 1: Photo show wildlife protection devices to prevent wildlife access to the secondary containment BMPs are missing.

Inspection Photos

Operator Name: NONSUCH NATURAL GAS INC #10163

Location ID: 324169

Photo 2: Photo taken from the interim areas on the west end of the Location. Unable to find evidence that additional reclamation was performed; reclamation not progressing towards 1003 standards. Photo also shows control measures to protect/stabilize the cut/fill slopes of the Location, and to prevent offsite sediment transport remains missing or insufficient.
