General Comment:

Routine FIU follow up inspection. Follow up to inspection from 3/30/2021 document number 689805591. Form 9 to transfer from Sandridge to D90 received 5/12/2021 document number 402676753, form remains In Process.
Stained soil has been removed.
Emergency contact number has been added to location signs.
Battery and Wellhead signs have been updated to reflect current operator but remain out of compliance with updated sign rules, 605. Because of this, sign related corrective actions remain outstanding. It is suggested that operator read the comments in this and previous inspections in addition to reading the rules, so that signs can be updated to be in compliance.

Location

Overall Good:

Signs/Marker:

Type	BATTERY		
Comment:	Tank Battery sign must include: operator name, telephone number where operator can be reached at all times, telephone number for local emergency services (911 where available), the public road used to access the site, well name, API numbers, and legal location for all wells associated with battery, location of battery including the quarter/quarter section.
