**General Comment:**

On 10/27/2021 Catherine Roy conducted a reclamation and stormwater inspection. During this inspection the following compliance issues were observed:

- Revegetation needs to be conducted throughout the western project area by 11/15/2021
  - Erosion controls need to be installed and maintained on bare and revegetating soils until stabilized with desirable perennial vegetation.
- Corrective action date: 11/15/2021.
- Control weeds by 11/15/2021. Subsequent treatments will be needed.

See below, and attached photos for additional detail.
