Josh,

Any comment here? We would like to get our reentry permit submitted to the COGCC to complete this reentry P&A and I would like to get your input before we access the well.

Thanks,

Jeff

Hey Josh,

I wanted to reach out about two orders of business that Verdad has for Bromley associated companies. First, please find attached a letter and copy of a check that will be coming to you for an extension of an Oil and Gas Lease from H&A Minerals Holdings LLC. Please have the correct party sign the letter to confirm payment and mail or email it back to me and I will get it to the proper individual. Second, I have attached a notice of a reentry and P&A that our Office Manager sent out to you all on my behalf a few times. This notice has not received a response from anyone over in your group and I wanted to reach out and see if you had any questions to clear this up.

Let me know your thoughts and if you have any questions.

Thanks,

Jeff Berghorn
