<p><b>COGCC Inspection Report Summary</b>  <b>**Weather Conditions: sunny, dry ground</b>  On Thursday, October 28, 2021 at approximately 11:35, I, Inspector Brittani Santistevan, conducted an on-site inspection at HILL 6L-421 (PDC Energy), at location #: 431708 in WELD COUNTY Colorado.  While there, I observed a shut in facility.  During this inspection the following possible compliance issues were observed:  1. Stained soil at base of casing at the wellhead. Remove stained soil to comply with Rule 606. (Corrective Action Date: December 2, 2021) See attached photo #'s 3, 4.  2. Unused equipment at wellhead. Remove or reconnect equipment to comply with Rule 606. (Corrective Action Date: December 2, 2021) See attached photo #'s 3,4.</p> <p>A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.  This is a summary of inspection report.</p>	santistb	11/02/2021
