General Comment:

This is an interim reclamation inspection in response to a KPK complaint. COGCC Staff believes Kerr McGee (Oxy) to be in violation regarding the use of an access road, not KPK.

Location**Lease Road:**

Type	Main		
comment:	After reviewing relevant files and historic aerial imagery, COGCC Staff believes KPK is utilizing a pre-existing access road prior to the new Kerr McGee (Oxy) Deep locations. Oxy planned and was approved to utilize the pre-existing access road illustrated in Photo #1. However, Oxy built a new access road that was not approved. Refer to the attached inspection photos.		
Corrective ActionL		Date:	
Type	Main		
comment:	Oxy failed to comply with the approved Form 2A's for Location ID 331236 (Doc.# 400489957) and Location ID 435424 (Doc.# 400509105) regarding the approved access road; therefore, also violating Rule 1002.e.(4) to minimize surface disturbance.		
Corrective ActionL	<p>Oxy shall come to an agreement with KPK on which access road to utilize. If all parties agree to utilize the new Oxy access road, then Oxy shall reclaim the pre-existing access road illustrated in Photo #1. If all parties agree to utilize the pre-existing access road, then Oxy shall reclaim the new Oxy access road that was not approved.</p> <p>Oxy will be given two weeks to reach an agreement.</p> <p>Oxy shall make every reasonable effort to complete reclamation on whichever access road needs to be reclaimed before the next local growing season.</p>		Date: <u>12/01/2021</u>
