<p>COGCC Inspection Report Summary **Weather Conditions: partly cloudy, dry ground On Tuesday, November 23, 2021 at approximately 12:45, I, Inspector Brittani Santistevan, conducted an on-site inspection at BUXMAN 1-33 (PDC Energy), at location #: 332699 in WELD COUNTY, Colorado. While there, I observed a shut in facility. During this inspection the following possible compliance issues were observed: 1. It appears that the gas meter calibration card is not displayed. Display legible meter calibration record in conspicuous location to comply with rule 430.d.(2). (Corrective Action Date: December 3, 2021) See attached photo #4. A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.</p>	santistb	11/23/2021
