OPERATOR COMMENT AND SUBMITTAL

Comment: Find the Rule 606 and Rule 419.a.(1),(2) compliance photos attached. Please note that a change of operator was filed on this well 4/30/21 that is still pending approval due to back log at the COGCC. Chaco Energy should be the operator of record. This back log is causing intense legal and logistics problems for operators.

I hereby certify that the statements made in this form are, to the best of my knowledge, true, correct, and complete.
