OPERATOR COMMENT AND SUBMITTAL

Comment: Location cleaned of weeds per Rule 606 and Gauge installed to monitor bradenhead per Rule 419.a.(1), (2). Please note that a change of operator was filed on this well 4/30/21 that is still pending approval due to back log at the COGCC. Chaco Energy should be the operator of record. This back log is causing intense legal and logistics problems for operators.

I hereby certify that the statements made in this form are, to the best of my knowledge, true, correct, and complete.
