OPERATOR COMMENT AND SUBMITTAL

Comment: Per Rule 606, weeds have been removed around the sales meter and dehy. Please note that a change of operator was filed on this facility 4/30/21 that is still pending approval due to back log at the COGCC. Chaco Energy should be the operator of record. This back log is causing intense legal and logistics problems for operators.

I hereby certify that the statements made in this form are, to the best of my knowledge, true, correct, and complete.
