Attention: Mr. C. F. Bass, District Supt.

Gentlemen:

With reference to your letter of March 9, 1962, regarding your desire to recomplete the Henderson #5, NE/4 SW/4 NW/4 of Section 18, T9N, R54W, Logan County, Colorado, and commingle production from the "D" and "J" zones in one well bore, this is to advise that I have no objections, as I have abandoned the wells on the J. F. Kirk Lease, which is adjoining your Henderson Lease.

Yours very truly,

A. T. SKAER
