COGCC Inspection Report Summary On Wednesday 12/29/2021 at approximately 13:55 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the Great Western Oil and Gas Stroh CNW 22 Offsite Tank Battery 22-32D location #442934 in Weld County, Colorado. While there, I observed trash on location. During this inspection the following possible compliance issues were observed: Rule 606. with a corrective action date of 1/31/2022. A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of the inspection report.	petersont	12/29/2021
