Mr. John Pivenka  
1010 N. 7th Street  
Sterling, Colorado

Dear Mr. Pivenka:

In accordance with the letter dated March 7, 1959, you stated that you would send a \$2500 Surety Bond immediately for each of the two McKenzie wells you took over from the Northern Natural Gas Producing Company.

It has now been almost a year and a half, and we still have no record of these bonds or any other communication from you, as requested in a letter dated July 23, 1959, written to you by our Mr. D. V. Rogers.

Other than the bonds, it is necessary that you file our forms 1 and 10. Enclosed please find a copy of our Rules and Regulations and a supply of these forms for your immediate use.

We sincerely urge your prompt attention to this matter.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION
