On January 3, 2022 COGCC SW EPS Jim Hughes conducted an environmental field inspection of the Simcoe LLC Roy Annala A #2. For the most recent field inspection report of this facility, please refer to document #693901733. This site visit was conducted to assess Spill/Release Point ID #481340. Areas of melted snow on and off location apparently signify direction of flow and extent of release area. Submit analytical results upon receipt via a Supplemental Form 19. The concrete pad beneath the prime mover is wet and stained.	hughesjo	01/04/2022
