RE: COGCC Form 9 Subsequent Attestation

Dear Mr. Glinn:

COGCC Rule 218.d.(1).C.i requires an attestation signed by both Selling and Buying Operators attesting to all the contents of the Form 9 – Subsequent. Arkoma Operations LLC (“**Buyer**”) and ATG Enterprises Inc (“**Seller**”) have finalized the transaction to transfer ownership of a group of wells and associated facilities as found in From 9-Subsequent document #402918708. Both buyer and seller do attest that the information found in the subject From 9-Subsequent to be true and correct.
