Re: In reply to PR-25.3  
Incomplete Notices of Determination under the NGPA.

Dear Mr. Kilchrist,

In reply to your letter of February 29, 1988, please refer to the enclosed Appendix A. The Colorado Oil and Gas Conservation Commission withdraws its notice of determinations in seventeen (17) applications. Two of the applicants have submitted additional information in response to your tolling letters. Five applications were withdrawn by the applicant.

It is felt these actions should resolve the status of these determinations, but please advise if more action is necessary on the part of the Colorado Commission.

Very truly yours,

*W.R. Smith*
